HOME TERRITORY

Welcome to *Mountain Home*

We're grateful that you've already welcomed us onto your porch and into the living room. Thanks to you, *Mountain Home*, the Twin Tiers lifestyle magazine, has 100,000 readers from the Finger Lakes to the Susquehanna River. Locally owned and based at creek-side offices in Wellsboro, Pennsylvania—population 3,245—we tell local stories by gifted local writers, artists, and photographers (see our awards on page 6). You can get a subscription, but most folks pick us up, "Free as the Wind," at one of 279 distribution points, represented on this original map by artist Tucker Worthington. Please support our advertisers and distributors—on page 38, we've published a complete list by town of the businesses, from Wegman's to wineries to the corner store, where you'll find *Mountain Home*. Call us at 570-724-3838 to chat, tell a story, or advertise. Meanwhile, happy reading!
